Model 4: Image Perceptual Hash (pHash)	VERIFIED	Hamming Dist > 5	Completion photograph identical to previously billed infrastructure asset.
Model 5: Cross-Scheme Fraud (Scanned OCR)	VERIFIED	Central Exclusivity	Header text verified under Central MPLADS; no state legislative markings detected.

II. STATUTORY CONTRAVENTIONS & CAG AUDIT FINDING

Primary Auditor Observation: An automated audit of Work ID WS/MP18278/2024-2025/134671 identifies severe financial disbursement discrepancies. Approximately Rs. 0.00 Lakhs (0% of the sanctioned budget) has been drawn despite field completion standing at only 50.00. The contractor has secured a disproportionate share of local public works without evidence of competitive bidding.

Statutory Guidelines Breached:

- General Financial Rules (GFR) Rule 144:** Ineligible expenditure and falsification of public records through duplicate billing of identical physical assets.
- MPLADS Guidelines Clause 3.12:** Strict statutory prohibition of co-financing and double-claiming from state legislative assembly discretionary funds (MLALADS / KLLAD / Vidhayak Nidhi).
- CAG Manual of Standing Orders (Audit):** Discrepancy between ledger withdrawals and ground asset creation indicates potential fiscal misallocation.

III. RECOMMENDED STATUTORY DIRECTIVES & ESCALATION

- Immediate Tranche Freeze:** District Authority instructed to withhold further disbursements on Work ID WS/MP18278/2024-2025/134671.
- Warrant for Ground Verification:** Sub-Divisional Magistrate (SDM) / Independent Executive Engineer dispatched for physical asset verification.
- Muster Roll & Invoice Audit:** Implementing Agency summoned to reconcile contractor labor registers, measurement books, and bank transaction UTRs.
- Contractor Syndicate Inquiry:** Cross-reference associated alias entities to ascertain true beneficial ownership under PMLA / Benami Transactions Act.
